NEWS*LETTER* EDITOR

Ted M. Darden

NOTES FROM THE CHAIRMAN'S OFFICE

Chairman Al LeBlanc

Greetings,

As we find ourselves walking right into June, it is only expected that we see a whole lot of activity outdoors. This is obvious in all areas of our community. None so obvious as the area of construction. Looking at projects on line at this time, it is truly exciting. We are very close to having a new dressing facility at the pool. Along with this comes a concession stand to serve refreshments etc. There will also be a patio cover to provide shade and retreat from the elements. Word on completion is a couple of weeks. This will be nice.

Plans are moving along nicely on the new health clinic. The design is beginning to take shape. We'll keep you posted as progress continues.

Plans are also much farther along on the new Tribal Court building. At this time, we have received some quotes on items of work and will continue to solicit competitive pricing as we enter final phase of development.

The new residential area is looking great and is all but completed. Final completion will come when the wastewater treatment facility is online and ready to accept waste. As you may remember, we are expanding the capability of the plant near the casino to serve this new area as well as casino expansion.

Speaking of the new residential area, we are right in the midst of planning the new Assisted Living facilities to be located there. We have had several meetings with the architect, Tribal elders and other concerned citizens and are close to a final floor plan. Everyone is excited about the prospect of having this available. We'll keep you posted on this as well.

(Continued on Next Page)

Chairman's Notes
(Continued from Page 1)

All of these projects discussed and approved by the Tribal Council during the last fiscal year. These are a part of our FY '98 Budget and are pretty much on schedule. It's always nice to set a goal and watch it become a reality. I feel confident that next year's plans will be much the same level. In our discussions, the Tribal Council is always very careful to maintain a healthy balance regarding the expenditure of Tribal funds and planning the future. I must say the outlook for our Tribe is a bright one. As we work together it is obvious that there is strength in unity. I'd like to think we'll keep it that way.

In closing, I encourage each of you to remember to vote in the upcoming election. June 13th marks that annual event when we have an opportunity to shape the future of our Tribe. Please mark your calendar. Also, please remember that many of our children are out and about for the summer months...let's help them be safe!!!

Until Next Time.....

Tribal Council Resolutions for Month of May 1998

CHI-TC #6-98
Authorization to submit a grant application to Indian Health Services.

CHI-TC #16-98
Renews attorney's contract.

CHI-TC #17-98
Authorizes a loan document for Assisted Living Facility.

CHI-TC #18-98
Authorization to submit a Library Services Grant Application.

CHI-TC #19-98
Appoints Danny Darden for a four year term on the Housing Authority.

CHI-TC #20-98
Appoints Danny Darden as Chairman of the Housing Authority for one year.

"Kop's Korner"
News from the Chitimacha Police Department
Frank McCloskey, Police Chief

May 1998

During the month of May, 14 traffic citations were issued--nine speeding violations, two stop sign violations, one driving under suspension, one seat belt violation, and one citation for windshield obstruction. One subject that was stopped for speeding was also issued a summons to appear in district court on the state charge of possession of marijuana first offense.

Three arrests were logged on charges of theft, remaining where forbidden and simple battery.

POST OFFICE

We would like to inform all residents that the Charenton Postmaster gave the approval for officers to lock the post office door at 8 P.M. instead of 6 P.M., in order to allow those that work late, enough time to collect their mail.

HOUSE NUMBERS

Since our communications officers have begun to dispatch emergency calls for the two local fire departments, they have commented on the number of medical calls that are dispatched and the time delay that emergency personnel are experiencing, due to the fact that many houses do not have their street number displayed. **Please make every effort to make your street number on your home plainly visible from the roadway. Numbers can be purchased at any hardware store or department store at a reasonable price.**

REMINDERS FOR SUMMER TIME

Now that the kids are out of school for the summer time we would like to remind everyone of the following codes under the Chitimacha Comprehensive Codes of Justice:

TITLE VII SECTION 902--OPERATION OF ALL TERRAIN VEHICLES

(A) A person may not operate an all-terrain vehicle upon any roadway, or roadway shoulder in this jurisdiction.

(B) Any operator of an ATV may make a direct crossing of a roadway but such operator shall:

(1) First bring the ATV to a complete stop before crossing any roadway.

(2) Yield the right of way to any motor vehicle or pedestrian.

(3) Cross the roadway only when such crossing can be made in safety.

(C) A person may not operate an ATV in the following ways which are declared to be unsafe and a public nuisance.

(1) In any area which prohibits the use of ATV's as designated by the Tribal Council and so clearly marked.

(2) In a careless, reckless or negligent manner so as to endanger the person or property of another or to cause injury or damage to such person or property.

(3) While under the influence of intoxicating liquor or a controlled substance.

(4) In any garden or tree nursery area, school area, business area or area not owned by the operator or his or her family (if a minor).

PENALTY: Any person violating this section shall be fined an amount not to exceed $250.00 and/or the ATV may be impounded and held until impoundment fee in the amount of $50.00 is paid.

TITLE VII SECTION 903--EXCEPTION TO OPERATION OF ATV ON ROADWAYS

Any ATV which is duly registered with the State of Louisiana and with the Chitimacha Tribe of Louisiana and operated by a person who is a duly licensed operator and who has the required liability insurance may operate any ATV upon the roadways within this jurisdiction.

TITLE V--CHILDREN'S CODE

TITLE V SECTION 701--CURFEW

A curfew is established for each child under the age of eighteen (18) years as follows:

(A) No child shall walk, run, loiter, stand or ride in or on any vehicle upon any street, highway, road, alley, public property or vacant premises.

(1) between the hours of 10:00 P.M. and 5:00 A.M. of the following day from Sunday through Thursday, or;

(2) between the hours of 11:45 P.M. and 5:00 A.M. of the following day from Friday through Saturday and on any holiday,

unless he or she is either: (1) accompanied by his or her parent, guardian or other adult person having the care and custody of the minor; or (2) attending a school, civic or church function or activity and returns to his or her home within thirty (30) minutes after the termination of such civic, school or church function or activity.

(B) No child who has enrolled or is required to be enrolled in any school shall be at any place within the Reservation except in attendance at school between the hours of 8:30 A.M. and 2:30 P.M. during any school day unless he or she

(1) has been suspended or expelled from school, in which case that child shall be required to remain in his domicile or place designated as his family home between the hours of 8:30 A.M. and 2:30 P.M., or

(2) has written proof from school authorities excusing him or her from attending school at that particular time;

(3) is accompanied by a parent or legal guardian or other responsible adult selected by the parent or legal guardian to supervise the child; or

(4) is not required by law to be in attendance at school; or

(5) is subject to the jurisdiction of the juvenile court.

Any police officer may transport a child found violating this section to the child's residence or the school the child usually attends and may release the child into the care of a parent, court-appointed tutor or legal guardian, or to the school. The choice of destination to be made at the discretion of the police officer based on proximity of the destination or other relevant factors, and subject to the need of the officer to respond to emergency or priority calls. The provisions of this chapter may be enforced civilly by the issuance of a summons to the child and to the parent or guardian of the child, as consistent with the provisions for civil enforcement of Title VII or, as a status offense in accordance with the provisions of Chapter 3, of this Title.

TITLE 111--CRIMINAL OFFENSES

SECTION 425--NON-RESIDENTS CURFEW

Any non-resident of the Reservation who shall, run, ride a bicycle, or loiter upon any street, highway, road, alley, or vacant premises on the Reservation between the hours of 10:15 p.m. and 5:00 a.m. of the following day is guilty of a curfew violation.

CHITIMACHA TRIBAL BALL PARK RULES

Park hours are from 6:00 A.M. to 10:00 P.M.
Lights off at 10:00 P.M.
No Littering
No Glass Containers
No Horses, Bicycles or Motor Vehicles (includes ATV's)
No Disorderly Conduct
No Profanity
No Throwing Sand

NOTE: The only exception to the 10:00 P.M. rule is if the pavilion has been rented out for a function.

WE WOULD LIKE TO REMIND ALL MOTORISTS NOW THAT SCHOOL IS OUT PLEASE BE EXTRA CAREFUL AND WATCH FOR CHILDREN ON THE ROADWAYS.

HAVE A SAFE AND HAPPY SUMMER TIME!

Holly A. Robicheaux,
Community Services Administrator

In an effort to assess the community services currently being provided on the reservation, I have been conducting an evaluation and needs assessment in Courts, Law Enforcement, Social Services, Public Works and Fire Department during the past sixty days. This process is still ongoing, however, there have been some steps initiated to expand and/or improve services with regards to Courts, Law Enforcement and Social Services.

On May 20th, a meeting was conducted between these Departments and the Bayou Council on Alcoholism regarding their "*Families In Focus*" program. Although, this is new in St. Mary Parish, it has been utilized in other parishes for a number of years. It's basic focus is prevention; it is conducted in the home; it can be voluntary or Court order; and, is available at no cost to either the Tribe or the participants.

As you will note on the "*Official Notice*" published in this newsletter, I have also been working with the Tribal Council on Code Revisions. Although, this responsibility is not a part of my duties as Community Services Administrator, it is a service that I have provided in the past and will continue to do so. Although many of the proposed changes are minor, these revisions if adopted will further provide for expansion and/or improvement in the community service areas.

Until Next Month ! ! !

" OFFICIAL NOTICE "

The Chitimacha Tribal Council has proposed the revision of the Chitimacha Comprehensive Codes of Justice as follows;

TITLE I - COURTS

Section	**207**	**Procedure on Decision for Review in Civil Cases**

TRIBAL COURT NEWS
By Shirleen B. Fitzgerald, Tribal Courts Director

In my last article, I had invited anyone who wanted to come by the Courts building just to visit, or view our plans for the new facility, however, I neglected to mention, that the Court has a library, that we make accessible to the community or anyone who has matters pending before the Court, to use as a tool for research or perhaps just to read through the law books that you may have a question on. Therefore, please feel free to make use of our facility. Until next time!!!!

WHAT ELSE IS HAPPENING?

SPACE WALK, HORSESHOES, BASEBALL, VOLLEYBALL
AND JUST PLAIN OLD FUN

June, 1998
Educational Services

Greetings!

The month of May has flown by. I have been working on several projects of which I will share information with you about in this month's article.

Reading Camp I have proposed that the Chitimacha School Board sponsor a Reading Camp for all Tribal students who are in the elementary grades. In order to prepare for the camp we need to know how many students are interested.

The Camp will be held by a certified teacher. The hours have not been established because we do not yet know how many students will participate or how many grade levels will be participating. Further in the Newsletter I have placed a registration form to be filled out and sent to the school on Thursday, June 4th between the hours of 1-3 p.m. It is my hope and that of the School Board that this camp will assist those students who are in need of a little extra help. One of the exciting aspects of the camp will be a weekly visit to the library. We will provide snacks at the camp too.

Please fill out the form and submit it to the school. We are anxious to get started and I hope the students will be excited too.

High School Program I have been meeting with parents of high school students to get an idea of what those students feel is needed to assist in their education. A majority stated tutoring as the top priority. I would like to meet with the students to find out what they think is needed.

I will host a meeting for all high school students on June 10th at 4:00 p.m. at the Senior Center. I will be serving refreshments. If any student has an idea about the kinds of refreshments that they would like please call and let me know.

GED We have had a lot of success with the evening GED classes and I must praise the teachers. The teachers have been an inspiration to all who have attended. I have hear such wonderful comments about the program. And here comes the "but", but there are other programs that are available. I feel I must let the young adults know that through the Job Training Partnership Act (JTPA) there is a possibility for a young adult to attend a vocational-technical school and earn a GED. Ms. Roxanne Scott has information on this program. If you are interested please call Roxanne at 923-2470 or go by and visit with her at the Tribal Museum.

Potpourri I am in receipt of the USL Potpourri. This is a magazine which details summer classes on different topics for everyone. I cannot possibly put this in the Newsletter for space reasons but I do have copies made for anyone interested. USL offers arts, reading, scholastic, science, sports, games, photography, ACT preparation and much more.

Advanced Technology Training USL also offers courses on computers. Again, I am not putting the course offerings in the Newsletter but I have available copies.

Mailings I am currently putting a mailing list together for these kinds of information that will be sent out separate from the Newsletter. If you interested in a certain kind of information please let me know I would be happy to mail you this information.

Community Events Graduation exercises at the Chitimacha Tribal School were held on May 21st. We had three eighth grade students and five kindergartners. The eighth grade students are Eric Brown, Elizabeth (Beth) Toups and Joshua Vilcan. The kindergartners are Kevin Hebert, Ariel Marsh, Derek Brown, Philbert Schexnyder and William Martin. Congratulations!

We had several graduate from the local high schools. Jackie Darden, Tanya Darden, Dwayne Darden and Nikina Vilcan from Franklin Sr. High School and Adrianne Cook from Hanson Memorial High School. Congratulations to all of you.

Nikina Vilcan should also be recognized as Valedictorian of her graduating class. Congratulations, Nikina!

I know that there are many more Tribal members who have graduated recently. I apologize that I do not have that list but all graduates will be recognized. Please make sure that Ardith Soprano has your name if she does not already. Congratulations to you all!

Chitimacha School Board I have been working with the School Board on many issues and as these progress I will keep you informed.

We had a safety inspection by Indian Health Services of several Tribal facilities and the school was one of the facilities. We recently received the report and working on getting several projects in gear.

The Bureau of Indian Affairs also came to do a facilities inspection. One of the safety items was a sprinkler system. We do not have a sprinkler system in place but all agree that this is very important.

USET I will be in Nashville during the week of June 1st for the USET meeting. I will be attending the Education committee meetings.

If you would like copies of the items I described above please contact Ardith in my absence.

Salutations!
Anita

ENROLLMENT NEWS:
By: Ardith Soprano, Enrollment Officer

Enrollment Applications:
Applications for Enrollment can be obtained by calling the Enrollment Office at (318) 923-2463 or by writing:

Chitimacha Enrollment
P.O. Box 661
Charenton, LA 70523

Each application must include a certified copy of the applicant's birth certificate plus documentation establishing that the applicant is a direct descendant of person(s) listed on the 1926 Annuity Roll and/or the 1959 Census Roll.

Change of Information: Please remember to notify the Enrollment Office of any changes in your address, phone number, or name.

If you have had a name change, please provide legal documentation of such along with a copy of your new Social Security Card showing your new name.

CONTINUING EDUCATION NEWS:
By: Ardith Soprano,
Continuing Education Coordinator

Scholarship News:

Information Request:

With the 1997/1998 school year ending, it is time to track the progress of our students. If you have or are a student who is:

1. Completing high school
2. Obtaining a GED
3. Graduating College (any level)

....please contact this office so that information can be forwarded to you on programs for which you may qualify.

Also, we are attempting to track our incoming Freshman, Sophomores, and Juniors. If you have someone entering these grades, please notify me. Students at these grade levels may qualify for summer programs from various organizations. Please help me to track our students at the above levels.

Please forward this information to this office by May 29, 1998. This will allow enough time to provide information packets to the students in time for the summer.

Fall Applications: Applications for the Fall Semester will be issued in the near future. If you intend to attend classes this Fall, please notify this office so that an application can be sent out to you. If you are new to the program, the following documents must be submitted as part of your application packet:

- A copy of your high school or GED diploma or transcript.
- A copy of your acceptance letter from the school of your choice (NOTE: the school must be accredited).
- Supply documents showing that you have applied for Federal Financial Aid.

Should you need assistance during the application process, please feel free to contact me.

PRICING ADJUSTMENTS

From time to time during the term of this agreement, the pricing for dairy products will be subject to adjustment based on changes in vendor's costs as follows:

(a) Vendor shall make monthly adjustments for the next succeeding month equal to theamount of the increase or decrease in vendor's Raw Milk Costs;

(b) Vendor shall make adjustments equal to the amount of the increase or decrease in Vendor's costs for ingredients, concentrate and packaging (other than Raw Milk Costs) at such time as changes in those costs occur.

Raw Milk Costs is the net cost paid by vendor for raw milk purchased from a raw milk co-op or producer. This cost consists of the Federal Order minimum raw milk price for the relevant period, plus premiums and assessments charged by the co-op or producer and regulatory agencies. It also reflects the effect of the butterfat differential announced by the USDA. Within twelve (12) days after the date vendor receives notice from vendor's supplier(s) of any such change in vendor's cost giving rise to a price adjustment, vendor will notify the school's representative of such change and the anticipated adjustment to be made in the prices for the dairy products. Any such change in the price of the dairy product shall take effect on the first day of the succeeding month.

TO: Chitimacha Tribal Employees
FROM: Roxanne B. Scott
RE: Summer Youth Conference Chaperons

The Inter-Tribal Council/Chitimacha J.T.P.A. Office will be needing chaperons for its annual Summer Youth Conference. This years conference will begin on June 16 and end on June 18, 1998 in Houma, Louisiana.

If you are interested in assisting with the chaperoning duties, please call me at 923-2470.

Thank you,

Roxanne B. Scott

Cultural Department News
By Kimberly S. Walden, M.Ed.

On May 22, 1998, I attended a meeting at the Lafayette Natural History Museum. The museum is planning a new exhibit on Louisiana Tribes and they invited the four Federal Tribes in Louisiana to participate in the morning session. This is the first time, I am aware of, that a museum has asked the Tribes how they wanted to be portrayed. The meeting went very well. Hopefully, this is a sign of new and improved relationships between museums and Tribes.

This month the department has been planning and preparing for summer beadwork classes. We had thirty-five students enroll in the classes. Classes will be held in June and July. Parents who enrolled their children should be receiving a letter stating the time of their child's class. If for some reason you do not receive your letter please contact the department.

Chitimacha Language tapes have been duplicated and the following materials will be sent out by the end of June. Every Tribal household will receive a copy of Learning Chitimacha: A Chitimacha Word-Finder: A Learning Dictionary, and Lessons in Chitimacha: Book One (and an audio tape).

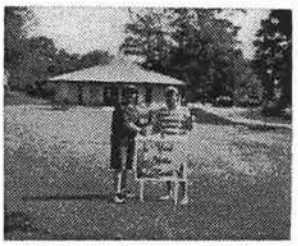
Chitimacha language classes will begin in July. Please call the Cultural Department 923-9923 to sign up. The deadline to enroll in this first class is Monday, June 22 at 5:00 p.m. Tribal members from grade 9 to adult are encouraged to participate in these evening classes that will probably be held on Tuesdays or Thursdays.

Anyone interested in attending Native American dance/drum classes should call the department to sign up. These classes will be scheduled during the summer if there are Tribal members interested in participating, otherwise classes will resume during the coming school year.

The Cultural Department has been purchasing the video series called How the West Was Lost and the book series The American Indians. Anyone interested in borrowing these materials should come by the department to check them out.

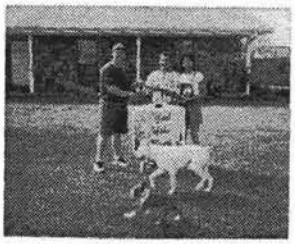
Yard of the Month News
By Carolyn B. Savage

It's that time of the month again and we're proud to announce the winner for the month of June. Congratulations go the Rhonda and Ted Darden at 3244 Chitimacha Trail. All of your hard work has paid off; the yard looks really great. Overall eye appeal is what the judges based their decision on.



May's winner

Our beautiful sign will be placed in their yard for the entire month of June. They will receive $100.00 cash and a plaque. Hopefully, we'll have pictures this month to go along with our article. Ted says he can quit weeding now!



April's winner

Even though there is a lot of teasing going around about winning Yard of the Month, I think it's a matter of pride. We're all proud of our homes and our community is reflecting that. Let's all keep up the good work.

Anyone interested in joining the Yard of the Month Committee should call 923-7583.

Tips from Rachel

Okay, it's hot and dry! The plants, trees, flowers, and the grass are drooping, burning, and wilting. And the insects are having a feast. So let's see what we can do the control these problems.

For one, pray for rain and cooler weather. Second of all, we need to water early in the morning or late in the evening, when the sun is not beaming down so brightly. Watering with the sun is so high can actually burn your turf. Again, mulching can help keep moisture in, cutting back on watering so much, and also helps with weed control.

Now choosing the right insecticides. The most important things is affecting your turf or try to. Enclosed you will find a chart that may help you. And second, make sure to read the labels to make sure that insecticides are safe and affective for your problem area. Also, remember to fertilize, again read labels to present over fertilization.

Till Next Month... Rachel

Recreation News
Billy & Jeri St.Blanc

CHITIMACHA SHOCKS BALDWIN LITTLE LEAGUE WITH UNDEFEATED 7-0 START!

After years of struggle and pain, our little league team, with a lot of hard work and effort, has produced a terrific string of victories, beating all the teams in the league in the first round. Its just past half way through the season, but we are all very proud of these young men. We are also very proud of all the community support we have had. Our bleachers are full and the cheering really makes a big difference. The team is made up of ***Nick Persilver, Zeb LeBlanc, Brandt Johnson, Brandon Darden, Ben Darden, Robert Brown, Blaise St.Blanc, Kaston Fluke, Donelson Caffery, Todd Toups, Slade Bobbitt, Jolby Schexnaider,*** and ***Garrett Viguerie***. Good luck down the stretch!

Summertime means SWIMMING. The pool is open now from 5:30 A.M.-7:00 P.M. Monday- Friday. On Saturday and Sunday, we open from 1:00-7:00 P.M. **Lifeguards are on duty everyday from 1:00-4:00 P.M.** Remember you may bring **one** quest. Please sign them in. Everything is going well. Let's keep the pool a safe and fun form of recreation.

ATTENTION SENIORS: You are needed to participate in a water walking class. The class will be strictly supervised. You do not need to know how to swim to participate. We will begin June 22 at 8:30. Just try it! You'll like it!

Registration for Swimming Lessons took place on May 26th from 5:00-7:00 P.M. with over 100 participates signing up. Infant through adult lessons will be offered including beginner, intermediate, and advanced swimming. As soon as classes are put together, you will be receiving a call to verify the date and time. Please write that time down on your reminder sheet you received at registration. If you have any questions, please call. (Remember to leave diapers on babies while in the pool.)

Golf has started in a big way. The youngsters are starting to play each week with a travel schedule starting June 22nd in Abbeville. Older people are playing more and more, as interest has really taken off. If you need lessons, contact Billy at the Rec. Department and he will arrange for you to get some help. We need some ladies to get together and start playing. Lets us know how we can help.

Floor Aerobics and Water Aerobics are being offered daily Monday thru Thursday at 5:15. Tough times have fallen on some of instructors and participants and we hope them speedy recoveries and a quick return whenever possible. We really need more people to participate...Pick a workout and stick with it. We have an excellent facility, quality instructors, and ample time ... all we need is YOU.

Jeri's last day at the Chitimacha Tribal School has come and gone. She will now be full time Recreation Coordinator. Recently certified as a Personal Trainer, and Water Safety Instructor, Jeri can get you started with an individual fitness program. She can evaluate body fat and along with your doctor, get you in good shape a lot easier than you may think. Although she will miss her teaching job at the school, she will really be able to serve the Tribe in many more ways with this new work situation.

T-Ball, Girls Fast pitch, Coach Pitch, Wiffle Ball, Sheriff's League teams are in full swing. We also have tribal members participating in the Franklin Little League and the Jeanerette Little League programs. We will give all final results and participants in the June Issue of this newsletter.

Our T-Ball team has added the pitching machine to the program. This gives us an advantage when our players move into Little League which will make a big transition a whole lot easier. We will be playing at the Baldwin Park on Tuesdays and Thursdays at 5:00 P.M.

Excitement has taken the form of construction. The Pool area is almost complete and worth a trip by one and all to see the progress. We are also in the planning stage of new ballparks and soccer fields to take the place of the old field which will be soon used for the new health center. Any suggestions or help in design or construction would be deeply appreciated.

We have been very lucky to have college students work in our program. ***Pam Darden*** was a big help with our young fast pitch players. She provided valuable pitching and batting advice. She also worked with our T-Ball team. Thanks Pam! We're happy to have you around.

Carlie Soprano, also putting in hours and hours..... has provided help in life guarding and anything else I call for. She volunteered life guarding for the school's field day. Thanks Carlie!

I'd like to take a moment to explain how valuable the JTPA program is to the community. These kids add so much to our program. ***Adrianne Cook, Christine Dwyer, Nikina Vilcan*** are back with us again and will provide leadership to our new workers, ***Jared Anslum, Stephanie Eddlemon, Jamie Darden*** and ***Jessica Deslatte***. We are looking forward to using these young workers to expand the summer program. They have been trained in Life guarding and will be trained in teaching lower level swimming lessons.

Following up on last years State Championship in Physical Fitness, the Chitimacha Tribal School's effort at this years State Fitness meet was exceptional. Representing entire St. Mary Parish were Tribal members ***Jolby Schexnaider, Arielle Darden, Mathew Darden*** and ***Adrianna Bernard.*** They were the highest achievers on the test that include a total of speed, agility, abdominal strength, upper body strength flexibility and endurance. Great Job!!

Beginning June 22 the school gym will be opened for activities including basketball, ping pong and other activities from 9:00 - 11:00.

Congratulations to Ashley Burgess and April Cook of the Hanson Girls' Softball Team. Ashley was named First Team All-District and was named to the Daily Iberian's Teche Area Team. April was also named Second Team All-District. We are proud of you. Keep up the good work.

Till next month....

Treading Safe Waters

For many families, visits to the community pool, water park or beach are essential rituals of the summer experience. But smooth waters can turn to rough ones when basic water safety precautions, such as constant supervision of children near or around water, are forgotten. Such was the case with 2 ½ year-old Alex Murphy of Avenue, Md. One day last August, Alex's 17 year-old brother Michael was baby-sitting him while their parents were working. When their mother Janet came home from work, she asked Michael, who had been cleaning his car in the garage, where his brother was. To the family's shock he was no where to be found. After searching for Alex for nearly 10 minutes, Janet found him on the bottom of their above-ground pool. She immediately performed CPR. Alex was then rushed to Children's National Medical Center in Washington, D.C., and amazingly, he survived. Many other children are not so lucky.

"Toddlers and children are attracted to water and love to play in it. Unfortunately, they don't understand the dangers of drowning." Children can drown in as little as one inch of water in a matter of seconds and it can happen in the time it takes a parent or care giver to answer the phone."

Drowning is the second leading cause of unintentional injury-related death among children ages 14 and under with children under age 5 at the highest risk. Many drownings and near-drownings occur when children are left unattended by a pool or in the bathtub. The majority of all drownings and near-drownings occur between May and August.

Adults and children over age 13 should learn infant and child cardiopulmonary resuscitation (CPR), in the event of a near-drowning. Parents and care givers should also develop and practice an emergency routine.

Water Safety at the Swimming Pool

A pool is 14 times more likely than a motor vehicle to be involved in the unintentional death of children ages 4 and under. Sixty to 90 percent of the drownings occur in residential pools. To prevent drownings in swimming pools, the following prevention tips are offered:

- ***Never leave your child alone in or around a swimming pool or a spa.***
- ***Install four-sided isolation fencing, at least five feet high, equipped with self-closing and self-latching gates.*** This type of fencing can prevent 50 to 90 percent of childhood residential swimming pool drownings and near-drownings. The fence should completely surround the pool or spa and prevent direct access form the house and yard. The house should not be one of the four sides.
- ***Teach children how to swim.*** Enroll children in swimming lessons taught by qualified instructors when your child is ready, usually after age 3. But keep in mind that lessons don't make your child "drown-proof."
- ***Teach children water safety habits.*** Children should not run, push others under water, jump on others, dive or jump in shallow water or swim during lightning storms or other bad weather.
- ***Keep a telephone, emergency phone numbers and rescue equipment poolside.***
- ***Mark the deep and shallow ends of the pool.***
- ***place a tamper-proof cover over the pool when it is not in use.***
- ***Remove steps to above-ground pools when not in use.***
- ***Empty inflatable pools and store out of children's reach when not in use.***

Water Safety in the Home

It only takes as little as an inch of water for a child to drown, making water-filled buckets, bathtubs, hot tubs, sinks and toilets potential drowning hazards. In fact, infants under age 1 most frequently drown in bathtubs, buckets and toilets. To prevent in-home drownings, the following tips are recommended:

- ***Never leave children unsupervised in and around the home, particularly in the kitchen and bathroom.***
- ***Keep toilet lids down and use safety locks.***
- ***Empty all buckets and containers immediately after use and store out of reach of children when not in use.***
- ***Drain all water from sinks and bathtubs immediately after use.***

Water Safety for Natural Bodies of Water

The majority of drownings among older children occur in open bodies of water. These drownings occur when an older child overestimates his or her swimming ability or when he or she is swimming in an unsupervised area. To prevent drownings in natural or open bodies of water the following tips are offered:

- ***Always watch your child while at the beach, lake, or other natural bodies of water.***
- ***Never let older children swim in unsupervised areas like quarries, canals or ponds.*** Many times, children underestimate the depth of water.
- ***Make sure your child wears a U.S. Coast Guard-approved personal flotation device (PFD) when on a boat and in or near natural bodies of water.*** Air-filled "swimming aids," such as "water wings," are not considered safety devices and are not substitutes for PFDs.

Diving Safety

Diving is one of the most hazardous water activities. Most diving-related injuries occur in pools with five feet of water or less. Parents are urged to take the following precautions to prevent diving-related injuries and death:

- ***Do not let your children dive into water unless an adult is present and knows that the depth of the water is greater than five feet.***
- ***Never allow your children to dive into above-ground pools.***
- ***Teach your children to dive with their hands in front of their face and to swim toward the surface immediately upon entering the water to avoid hitting the bottom or sides of the pool.***
- ***Teach them to keep their dives simple.***
- ***Make sure your diving board is in good condition before allowing your child to use it.***
- ***Do not permit children to run and dive.***

By following these simple safety precautions, tragic drownings and near-drowings can be avoided.

Summer Fruit Selections
By Leslie Fontenot, Dietitian

The summer has arrived and with the heat comes an abundance of fresh fruit selections in your grocery store. Most people do not get the recommended 2-4 servings of fruit per day. This is very unfortunate because fruits are our best source of vitamins, minerals, and fiber. Adequate selections from the fruit group can also help people achieve a low fat and often lower calorie way of eating.

If you don't eat fruit because you "don't like it" then I challenge you to try a wider variety of fruits. You don't have to eat apples if you don't like apples. If you don't eat fruit because "it goes bad before you can eat it", then you may need some help in the grocery store. Following is a list of what to look for and how to store some of your favorite fruit selections.

Apples - pick firm well-colored apples while avoiding bruised or soft selections. Once home refrigerate the apples if you want to delay ripening.

Bananas - select bananas that are firm, bright in color and free of bruises. Avoid dull or grayish bananas . This means that the fruit has been exposed to cold and won't ripen properly. Once home, store bananas at room temperature.

Cantaloupe - select melons with a thick, coarse corky netting and a yellowish rind. The melon should have a detectable cantaloupe smell and the rind should yield slightly to light thumb pressure on the non-stem end. Avoid softening over the entire rind or mold growth near the stem scar. Once home store the melon at room temperature until ready to eat. The longer it sits out, the softer and juicier it becomes. Refrigerate cut melon.

Mangos - look for plump fruit with a smooth skin that has begun to color and that has a slight softness. Avoid very green rock-hard, shriveled, or mushy fruit. Naturally, avoid fruit with bruises, rot, or large black spots. At home refrigerate only when completely ripened and only for a day or two.

Nectarines - look for rich color, plumpness, and a slight softening along the ridge that runs down one side of the fruit. Avoid hard, dull, slightly shriveled, or soft fruit. Also avoid fruit with cracked skin. At home ripen at room temperature in a paper bag, then refrigerate. Usually fruit will ripen within two to three days.

Oranges - select fruit that is firm, heavy, and with fresh, bright-looking skin that is smooth for the variety. Avoid lightweight oranges or ones that have a very rough skin texture or dull, dry skin and a spongy feel. Once home, oranges only keep a week or two unless you refrigerate them. They will yield the most juice at room temperature.

Peaches - look for fruit that is fairly firm or a little soft. The skin between the red areas should be yellow or at least creamy in color. Avoid hard fruit with a distinctly green color because these will probably not ripen. Also avoid very soft fruit, large flattened bruises, or a sign of decay. Decay starts as a pale tan spot that expands in a circle and slowly turns darker. At home ripen in a paper bag at room temperature and then refrigerate.

Pears - look for fruit that has begun to soften. Avoid wilted or shriveled pears with dull-appearing skin and slight withering of the flesh near the stem becase this indicates inability to ripen. Also avoid fruit with spots. At home ripen pears at roon temperature in a paper bag. Eat when the pear yields to gentle pressure near the stem and side.

Watermelon - select firm, juicy flesh with good red color and dark brown or black seeds. Avoid whitish seeds which mean the melon is immature. With uncut watermelons, look for a smooth, slightly dull surface. The ends of the melon should be filled out as well as rounded, and the "belly" of the melon should have a creamy color. Avoid pale-colored flesh; white streaks; whitish seeds; dry, mealy flesh; or watery, stringy flesh. Store cut melon in the refrigerator.

Plums - select plump fruit that is fairly firm and slightly soft. Avoid plums that are too hard or too soft to the touch. Also avoid fruit with skin breaks, punctures, or brownish discolorations. Once home, ripen plums at room temperature in a paper bag and then refrigerate.

If your favorite fruit was not included above and you have questions, please call leslie at 923-9955.

Also make sure to mark your calendars for the following health department events: wednesday july 15, 7-9am free breakfast, diabetes screening, and nutrition counseling.

Tuesday July 28 - Morning Fun Walk

PUBLIC WORKS DEPARTMENT NEWS:
By Tony Darden

Here's the run down on what happened, what's going on and what's in the works in the Public Works Department:

Summer Program:
I would like to welcome the following summer youth leaders and workers: Johnny Bobbitt, Pat Vilcan, Bruce Burgess, Byron Toups, Brian Darden, Derek Sisk, April Cook, Jenna Marcotte, Courtney Thomas, Jacob Darden, Jonathan Marcotte, Lonnie Martin, Amy Darden, Brittany Martin, Jolene Dwyer, Chance Burgess, Zachary LeBlanc, Ashley Burgess, Natalie Vilcan, Loren Rogers and Niecy Martin. These leaders and workers will be helping to beautify the Reservation by cutting grass, picking up litter, etc. This program will last for six weeks.

Sewer Survey:
Don Antrobus and Joe Watson from Indian Health Services were here on May 12 - 15 to survey for the relocation of the sewer line to the new sewer plant located behing the Casino. The existing plant has reached its capacity of homes to be served. We will keep you updated on the progress of this project.

School Inspection:
Stu Pouya form the Bureau of Indian Affairs, Eastern Area Office, was here on May 12th to conduct an Operation & Maintenance inspection of the facilities at the school. We will be notified of any deficiencies so that we can correct them.

Disaster Response:
I attended a Red Cross Disaster Response meeting in Patterson, La. on May 7th. The purpose of this meeting was to gather people from different municipalities in St. Mary Parish to discuss the following topics: Fall-Out shelters and evacuation routes. This meeting was very informative and I hope that the information that I gathered will help the Tribe during hurricane season.

Reminder
Please remember that the Maintenance Department is still accepting waste oil. If you have any you would like to dispose of, bring it by the Maintenance Shop. This service is available only between the hours of 7:30 A.M. to 5:00 P.M. Monday-Thursday. Check with one of the maintenance workers prior to any disposal.

If you plan on using any tribal equipment on weekends, please be sure to come by before 11:30 A.M. on Fridays. We MUST have you sign a check out form before any equipment leaves the premises. There will be no equipment loan out after 11:30 a.m. on Fridays.

Public Works
Lands, Sewer, Utilities, Facilities and Roads. You can reach our department at 923-9125 or in case of an emergency after hours 828-6708 or 923-4658.

HOUSING NEWS:
By Marilyn Burgess

NAHASDA
I am finalizing the work on our Housing Plan which will include the proposed development under the Native American Housing Assistance Self-Determination Act of 1997. I am planning to bring the plan to the Board of Commissioners on Thursday, June 4 for their review. The plan will then be brought to the Tribal Council for their comment.

ELDERLY LIVING FACILITY
Our application with Rural Development for our guaranteed loan for the elderly living facility was delivered last Friday. We will await word when the process is complete so that further progress can be made.

ELDERLY ADVISORY BOARD
We have formed an Elderly Advisory Board to help with the development of the Elderly Facility. This Board was formed to get some ideas on what is needed for our elders. The Board consists of Lillian LeBlanc, Heloise Lange, Carolyn Savage and Jimmy Johnson. When our application is approved, we will have a meeting to get ideas on what our elders need.

FREE HOMEBUYERS SEMINAR
On Thursday, May 21 a seminar was conducted by Rural Development, HUD and Consumer Counseling Services. The purpose of this seminar was to educate potential homebuyers and existing homebuyers on the responsibilities of maintaining a home. The seminar was very informative and I hope that our homebuyers left with a lot of knowledge.

HOUSING CHAIRMAN
Danny Darden was again appointed Chairman of the Housing Authority at the last Council Meeting. Congratulations, Danny!

FIRE SAFETY POSTER CONTEST
A Fire Safety Poster Contest was held at theTribal School. Winners were Morgan Martin, Maggie Darden and Robert Brown. Eventhough the posters did not win at our regional meeting, the students really did a great job. We will continue to have this contest each year..

ANYONE HAVING ANY QUESTIONS CONCERNING HOUSING ISSUES, PLEASE FEEL FREE TO CALL ME AT 923-9125. I WILL TRY TO HELP YOU IN ANYWAY THAT I CAN.

JUNE 1998 BIRTHDAYS

Lester Darden *June 19*
Patricia Vilcan *June 26*
Shirley Bernard *June 22*
Joe Vilcan *June 28*

HAPPY BIRTHDAY TO YOU AND HAVE MANY MORE!!

COMMUNITY BULLETIN BOARD

Call Debbie @ 318 923-4973 to place an Ad

Sewing...

Wanted - Someone to do straight sewing (hems in pants, etc.) Call Ester @ 923-7779 Thanks!!!

Birth Announcement

Laura Novick annouces the birth of her son, Erig Lorenzo Novick. Erig, brother of Nicholas and Katheryne Novick, has arrived 5 weeks ahead of schedule. He and Laura are doing fine.

(Erig, Nicholas and Katherine Novick are the Great Grand children of Bert and Ruth Burgess.

Congratulations, Novicks!

ATTENTION HIGH SCHOOL STUDENTS!!!

You are invited to a meeting with Anita Cook, Education Services Administrator. I would like to meet with you concerning your education and any ideas you may have. The meeting is scheduled for June 10th at 4:00 p.m. at the Senior Center. Refreshments will be served. Please come and be heard.

Anita

Ricky Higgins would like to thank everyone, on behalf of his family, for the prayers and kindness given them during their time of sorrow. May God Bless Them.
